

Northeast Comanche Tribe, Inc. **2020 Applications for Officer Election**

Submitted by on Saturday, July 31, 2020

Name: CJ Stumpf Hometown: East Randolph VT

Aircraft: PA-24-180 Office: Chief/Rep

Willing to be ICS member: Yes

Tribe Vision: My vision for the northeast tribe is to support the continued growth of everything that contributes to the Comanche Spirit, which includes the aircraft and the people who maintain and fly them.

Qualifications: I have served as the Tribe Chief / President and am pleased with the growth that has developed over that period of time and want that to continue.

One of the outstanding accomplishments is that our membership has had a large increase. There has also been a definite increase in awareness and achievements related to safe flying.

Role as ICS BOD: In this time, with ICS membership down by almost half since 2018 as hundreds of formerly committed and undyingly loyal ICS members announce their displeasure by voting with their feet while Northeast membership grows, to listen to those member concerns and to ensure the protection and support of our treasured Comanche type. To focus on Integrity, transparency, and mission, and to bring the voices together.

Serve on NE Advisory Board if not elected: Yes

Name: Malcolm Dickinson Hometown: Stamford, CT

Aircraft: PA-24-260 Office: Treasurer

Tribe Vision: I want the Northeast Comanche Tribe to keep providing great type support, technical resources, group buys, social get-togethers, and online meetings to serve the members.

Qualifications: I've been serving as the Treasurer of the Northeast Comanche Tribe for 2 years.

Role as ICS BOD: I would like to see the Northeast Tribe have a vote on the ICS board again.

Serve on NE Advisory Board if not elected: Yes

Name: Peter C Morse Hometown: Putnam CT

Aircraft: PA-24-250 Office: Scribe

Tribe Vision: I see the Northeast Comanche Tribe serving it's diverse membership through technical support (Zoom sessions, written articles, web storage of information), training support (Comanche 'gotchas', new type pilots), and social events (Fly-ins, Zoom events, Neighborhood gatherings). I also see distancing from the ICS unless there is a paradigm shift in the current state of affairs.

Qualifications: Active member since early 2000's. Past Chief, Assistant Chief, Scribe. Responsible for the yearly fly-in schedule and for Tribe communication through the Nor'Easter newsletter and website.

Role as ICS BOD: To represent those Northeast members who choose to remain in the ICS. To put the interests of the members first over those of any special interest group, whether within or outside ICS.

Serve on NE Advisory Board if not elected: Yes
