

Be the first on your ramp to have your very own
COMANCHE NORTHEAST cup.

This cup can be in your hands for a donation of \$10.00 (or more) to the Northeast Comanche Tribe, Inc. Order your cup(s) at [/NE_CupOrderForm](#). We can you're your cups for ~\$9 shipping, or you can save the cost by collecting your cups in person at any of the Northeast Tribe fly-ins, at Sun n' Fun, or at Comanche Town. If so, please indicate which fly-in you plan to attend and your cups will be there.

We would like to make this a Challenge Cup, patterned on the military's challenge coin. In this case, when you show up at a Comanche fly-in or event with your empty cup and challenge another pilot to show his or her cup, if the challenge can not be met then the challenged pilot is required to 1) purchase a cup on the spot to comply, or 2) fill the cup of the challenger. Sort of a Comanche secret handshake.
