

ComancheZOOM for December 10

Topic: **“Autopilots: imminent STEC 3100 STC approval”**
with guests Doug Tellef (test pilot) and Mike Demeter (sales)
of Genesys-Aerosystems.com

Presentation features: impending STC approval for all PA24's, a pre-STC-approval Warranty special, the on-going Twin AML project. What makes the STEC 3100 so cool? Optional features, integration options, installation overview, upgrades.

This is an excellent presentation on the development, features, and installation of the STEC 3100 Autopilot. Availability soon (January 2021) for all PA24 Comanches, with product shipment in early to mid Q2 of 2021.
