Topic: 2024 Planning – Zooms and Fly-Ins

In this ComancheZOOM we hoped to get your input as to topics for the 2024 Zooms and perhaps some new locations for the seasons fly-ins. We have an extensive list of Zoom topics sent in by a Canadian participant, and the list posted on the NortheastComanche.Org website. The website also has a list of past Northeast fly-ins posted under Other Destinations to suggest ideas.

There was a lot of discussion on the importance of CO detectors. The group buy is still active.

Vlad Ravitch, former fraud investigator for the NYC Police, spoke on the rise of theft of mail containing checks or money orders and other seasonal scams. He also spoke on the importance of choosing the person you list as a contact on any documents requiring that, especially if your choice changes for any reason. That is the person authorities will be looking for if you are incapacitated for any reason.

Pete Morse brought up the Other Destinations list to open a discussion of possible fly-ins, both in the Northeast and elsewhere. CJ asked for suggestions for future group buys. Both topics sparked spirited participation.
