**Topic: ATC mishaps & Pet Peeves -**

with Hunter Neucere of the Ft Worth Center ATC

This Week Hunter Neucere of Ft Worth Center ATC will discuss close calls and sticky situations he and his colleagues have seen pilots get into, as well as controller pet peeves when dealing with aviators on the frequency. From the controller's mouth to your ears...

We have also asked Zoom attendees for their own stories of ATC help and/or saves experienced in their flying careers.

There will be time for a Q&A.
