

June 23, 2022, ComancheZOOM

Title: **ComancheTown-OSH pre-planning**

This Zoom was a preliminary discussion of procedures for registering, arrival and parking for ComancheTown at AirVenture OSH. A much more detailed session is scheduled for the July 14 ComancheZOOM with an AirVenture Vintage representative. For an overall picture of AirVenture arrival and other procedures download the 2022 [/AirVenture/FlyingIn/NOTAM/](#) booklet.

We also talked about a tool-loan program we are working on. Eventually you will be able to sign up to borrow the various tools we have accumulated, including our newest prop balancing capability.

We had some difficulty maintaining a good WiFi connection for our normal recordings, with the link crashing at about the 1-hour mark. Fortunately, a second recording was being made, but starting at about the 55-minute mark. We will try to stitch them together in the near future, but for now we are providing separate links to parts 1 and 2 below.

To hear/see the recordings click on a link from the list below.
