

ComancheZOOM for Thursday, June 1, 2023

Topic: Open Mic Survey

This is a chance to get the group to help pick the most popular (or important) topics from the NortheastComanche.org Zoom topic list, and to suggest other possibilities. Time was spent picking popular topics from the current website list. The revised list will go on the website.

Time was spent going over plans for AirVenture's OSH ComancheTown gathering. Some plans are already in place, but we want to hear what you want to see, hear, or do. The OSH ComancheTown registration form was demonstrated. Some preliminary discussion of the AirVenture NOTAM and the importance of familiarity with it. Also hints on arrival procedures from past experience.

Time was also spent discussing how to plan a local fly-in. Pete Morse walked through the planning process as listed on the website and offered to help anyone interested to host a fly-in in their area.

Special request from Peter Lautensac:
