

ComancheZOOM for Thursday March 30, 2023

Live from Sun 'N Fun ComancheTown

We ran the Zoom off-site (Les and Pete) as usual, and ComancheTown folks tried to connect with their cell phones. As always, the Zoom was recorded.

As a plan for content, the folks at ComancheTown would be taking cellphone pictures and/or short videos of everything around them - aircraft, people, presentations, airshows - which would then be Share Screened during the Zoom, along with live on-camera content. We also shared photos from last year's ComancheTown to set the stage.

CJ was able to live broadcast the presentation going on in the ComancheTown tent following the bodacious chicken gumbo. The resulting video suffered somewhat due to the overworked videographer, but we got a chance to "be" there. Call it a learning experience.

Because of the limited bandwidth at Lakeland we decided to end the Zoom recording earlier than usual, but viewers will get the gist of it. It looks like a good time was had by all!
