

ComancheZOOM for Oct 15, 2020

Tonight's Program: CJ Stumpf updates developments with Autopilots specific to the Comanche. A great deal has been achieved in the last few months simply by perseverance and attention to details thanks to the efforts of each of the autopilot teams.

The scheduled presentation on the FAA Wings Program: Flight & Ground overview will be rescheduled, as well as the discussion on Flying for a Reason. We simply ran out of time.
