

ComancheZOOM for August 10, 2023

Topic: What's in your Bug-Out Bag?

This week's ComancheZOOM is an extension of the "Flight Bag" Zoom. We will present and discuss Les Thomas's Bug-out Bag. The idea is to have a preset survival bag within easy reach for an emergency exit from your aircraft. Les put a lot of thought into the contents and proposed it earlier as a group purchase fund raiser and safety solution.

Here is a listing of the contents Les put together. Kit B is the extra added items.
