I have gone through our Nor'easters and have listed in a clear and organized manor, where each election is announced, then held, then results announced, since 2014. Hopefully, we can present this to the Judge, and it should verify that we did indeed have these elections.

ICS-NE Nor'Easter - page 1 - Winter 2016

"With the ICS Convention in June we need to nominate and elect our NE Tribe officers for 2017-2018. There is Nomination Form on our ICS-NE website for anyone who wishes to nominate someone (or to volunteer) for an office. The current officers have done an excellent job, but it would be good to get in some new blood. **In May an electronic ballot will be posted on the website with the slate of nominees for election by the Tribe membership.** Now curl up with a flight training book in your favorite chair and enjoy the quiet winter season. Happy New Year, Pete Morse, ICS Scribe"

"Governance news and invite: Election reports below for the 2017 elections, including counts for the **second election in September**. Draft bylaws are available for review and comment on the website. The draft 2018 draft fly-in schedule is up. The new nominations form is up on the website.

ICS-NE Elections In the last NE elections, which closed before the Cleveland convention, the current Tribe officers were unopposed. The practice in past years is that the officers continue to serve, assuming that they are willing, until they are replaced. All officers expressed their willingness to continue in their offices.

Because of the mess created by the cancelled elections of the past year we have been working on a clearly defined way to elect Tribe officers. The Northeast Tribe election process, as currently proposed, can be seen at /NE Comanche Tribe Election Process.pdf. Elections for 2018-19 will be held later this spring, to be timed for voting to close by the fly-in at Sky Manor on August 25. **Election ballots will be available on the NE website one month earlier (late July) after the end of the nomination period.** Nomination applications are now open for Tribe officers. Application for a position on the Election ballot can be made for yourself or for another NE Tribe member by submitting an /ICSNE_OfficerAppForm. The positions of fly-in coordinator and webmaster are appointed and will not be on the ballot. The roles of each tribe officer can be reviewed at E/ICS-NE_TribeOfficeRoles. If you're interested in an officer position in the future but not sure you want to take it on right now, or even if you have ideas or would like to help, let us know! We will begin to include you in tribe planning, tribe decision-making, and continued innovations and improvements. We welcome participation in Tribe activities, so email us if you want to be more involved.

As a point of information, the results of the cancelled election last fall are shown below, along with a listing of the survey responses. As you can see, there were no winners. All personal voting information has been redacted. 2017-18 ICS-NE ballots (unofficial) and survey results: ICS-NE Nor'Easter - page 5 - Winter 2017-18
