## Pre-Christmas Holiday Zoom Gathering "Why I love my Comanche"

This was a chance to bring your stories of falling in love with your airplane and how it has helped your business, family, friends, pets, or charities. Tell us of your exciting moments and/or emergencies and how your Comanche allowed you to live to tell about it.

The Zoom starts with an informal social discussion beginning at 7:00 pm. We start with a brief recap of the year - what has been accomplished, what has gone on behind the scenes, and what exciting things are ahead - and then open the mic for your additions to the story.

A number of Comanche pilots told their purchase stories and flights they remember fondly. There was also some sharing of panel upgrades including photos.
