

ComancheZOOM for December 30, 2021

TOPIC: ComancheZOOM year in review

Join us for the final ComancheZOOM of 2021. In this session CJ Stumpf reviewed the many accomplishments that occurred in 2021, from the new autopilots to the replacement parts work, the WINGS safety Zooms to the detailed expert presentations, the regional fly-ins to ComancheTown gatherings.

Pete Morse provided a photo tour of some of the fly-ins from 2021, plus a quick tour of the NortheastComanche.Org website

We also encouraged members to share their experiences from the past year – new installs, flight experiences, lessons learned – and thoughts about the coming year.
