

ComancheZOOM for Thursday, Jan 08, 2026

Topic: FAA presentation on MOSAIC

Spans # EA39140980 Wings credit

Rosemarie Williams, FAA Safety rep, will review the new MOSAIC rules and how they affect Comanches specifically. These new regulations basically expand the definition of Light Sport aircraft, allowing PA-180 Comanches and other vintage aircraft to qualify.

Two attached PDF files describe the basic MOSAIC provisions and some recent AC additions to the rule.

Those who join us tonight will find out about these changes in flight operations, maintenance, and pilot qualifications.

This Zoom qualifies for FAA Wings credit. Register at Wings.NortheastComanche.Org.
