

Comanche Webinar for Thursday, Jan 29, 2026

Topic: *The first online Pilot Proficiency Clinic launches at tonight's C-Zoom!*

This Zoom is in Webinar format.

Pilots can register for an interactive participant slot, get a logbook endorsement for an hour of ground school, and be able to talk and ask questions. Pilots can also participate as silent observers.

These topics reflect areas where Piper Comanche accident/incident statistics show we need to be sharp! If you are experienced and want fresh eyes on your normal habits, want to tune your procedures, or have a friend transitioning to complex or to a Comanche, this is the series for you! All are eligible for wings credit. We will provide a ground training certificate if you want to provide it to your insurance company.
