

ComancheZOOM for Thursday, May 14, 2026

Topic: Non-Topic Zoom

General discussion of activities at Baraboo Dells prior to AirVenture, in particular the timing of the MAC clinics and subsequent group flights to Oshkosh. Pete Morse showed the MAC clinic registration form which will be used for the June 9-13 “Sentimental Journey” fly-in, registering for arriving at Lock Haven PA (KLHV) and for participation in the June 12 MAC clinic. The form is on the website at [/Forms/MaintClinic_Reg](#)

CJ then showed a photo tour of the grounds at AirVenture, in particular around the Type Club Parking and ComancheTown areas, both from the on-ground perspective and with arial maps.

We ended with a detailed discussion of the aircraft handling from the point of view of the controllers, including options that could be requested for a different runway or for a lead aircraft with a group following.

CJ has put descriptions of the various discussion points into the Chat text to be shared.
